

Saint-Gobain Performance Plastics

Saint-Gobain Performance Plastics and its family of companies

Saint-Gobain Performance Plastics is a business unit of Saint-Gobain Ceramics & Plastics Inc., a subsidiary of Compagnie de Saint-Gobain. Saint-Gobain Performance Plastics is leading the way in advanced-technology polymer products for the most demanding industrial applications. We make products ranging from fluid handling hose and tube, machined and molded fluoropolymers, and medical-grade silicones; to release liners, PTFE coated fabrics and tapes, membranes, foam seals, gaskets and bonding tapes; and precision bearings, spring energized seals, radomes, and composites for aerospace.
